2. LAWFUL BASIS DATA FOR PROCESSING

The processing of Data for the purposes set out in points (i), (ii) and (iii) of the preceding paragraph will be carried out by either Joint controller, in order to fulfil a contract or a potential contract with you, namely to process your application, without requiring your express consent (as per article 6.1 point (b) of the Regulation). The release of the Data provided in the application form is essential for these uses, and therefore not providing this information will prevent your application from being examined, and consequently prevent you from participating in the Programme.

We will process your data consisting of ethnic origin (named in the application form as “ethnicity”) only if you provide your express consent to this processing activity to identify or keep under review the existence or absence of equality of opportunity or treatment in line with our Global Equity & Diversity Policy. We’d love to know about your ethnic origin for the purpose to ensure and promote equality of opportunity between groups of people. The percentages obtained will not be disclosed to third parties in any way but will be exclusively used for internal reporting purposes, and stored in an aggregated form. It is entirely your choice whether to provide such personal information or not. Also, your consent can be withdrawn at any time and that case we will stop processing your data which will be deleted without undue delay.

The processing of Data for the purposes set out in point (iv) is carried out to fulfil legal obligations and to protect the Joint controller in case of litigation, and therefore does not require your express consent.

3. DATA COMMUNICATION AND DIFFUSION

Data will be processed by either Joint controller using manual, telematic and computer-based tools, which will nonetheless provide adequate measures to guarantee security and to impede access by non-authorized parties. Data may be transferred exclusively for the purposes described above, to the following categories of recipients:

- a) for the evaluation of the application and the examination and selection of candidates, Data will be processed by the Joint controllers’ Staff selected by the Joint controllers themselves;
- b) persons, companies, associations or professional studios who provide assistance and consultation services to the Joint controllers, especially, but not exclusively, as regards accounting, administrative, legal, tax-related and financial services;
- c) subjects whose authority to access the Data is recognised by law or by secondary legislation.

These subjects act as Data processors, or as Data controllers. You may request the directory of subjects to whom your Data will or may be transferred at the following address privacyteam@ynap.com.

5. YOUR RIGHTS

We remind you that in the cases provided for by law, you have the right to:

- a) obtain information regarding the existence of Data and the reason for its processing, how long it will be retained, and the subjected to whom it will be transferred;
- b) receive the Data collected regarding you in a standard, interoperable format that is readable by electronic devices;
- c) limit or oppose some or all processing at any time;
- d) have incorrect personal data rectified or incomplete personal data completed;
- e) have Data deleted within a reasonable time frame;

f) withdraw

Finally, we also remind you that you have the right to contact the competent Data Protection Authority to exercise your rights regarding the processing of your Data.

6. CONTACTS FOR EXERCISING YOUR RIGHTS

YNAP Group has named a Data Protection Officer (DPO) who can be contacted for requests regarding Data processing at dpo@ynap.com.

The Prince's Foundation can be contacted for any request regarding Data Processing at gordon.neil@princes-foundation.org

You can exercise your rights as listed in the preceding paragraph by writing to this email address.

Once the application, shortlisting and assessments steps are completed, selected candidates will receive a conditional offer of employment and will need to go through pre-employment checks. Depending on whether you have been selected to work in Italy or in the UK, the Data Controller for these additional steps will be respectively YNAP or NAP. For further information about how YNAP and NAP will process the data during these steps, please refer to <https://www.ynap.com/pages/careers/privacypolicy/>
